

NV Nursing Homes Targeted for Improvement

Based on Quality Measure Scores as Calculated by CMS

NOTE: For more information about CMS' quality measures for nursing homes, please visit the Nursing Home Compare tool at <http://www.medicare.gov/NHCompare>.

The QIO may recruit up to 15% of the total number of providers they will work with from among providers not included in the J-17. The QIO must submit the criteria used to select these providers in their proposal to CMS. In no case may the total number of providers exceed the maximum number of providers as specified in Table B nor may the number of providers not identified in the J-17 exceed 15% of the total number of the providers the QIO recruits to work with.
